## How to Prepare an Application Packet

- 1)** Complete one **SCHOLARSHIP APPLICATION** form downloaded from: <https://www.franklin.uga.edu/scholarships-and-funding>. *Be sure to complete the Cortona Scholarships Application. Please print one copy of your completed form.*
- 2)** Write a brief **SCHOLARSHIP ESSAY** that outlines your educational, personal, and professional goals and explains, in turn, how these connect to your plans for study abroad. *Please print to paper one copy of your 1-2 page essay.*
- 3)** Ask someone to write a **LETTER OF RECOMMENDATION** attesting to your academic qualifications and personal attributes. Ask your evaluator to explain how s/he knows you and how long s/he had an opportunity to observe your academic and personal accomplishments. For best results, you should seek a letter from a professor or instructor who has taught you an advanced or challenging subject. If you choose a recommender who is not university faculty, s/he should speak to extra-curricular or work activities that are highly relevant to your major or other professional goals. We strongly recommend that letters be written on official letterhead and signed by the author. A letter from a relative is not appropriate. *Please ask the person recommending you to give you his or her letter inside a sealed envelope.*
- 4)** Print or copy your **NOTIFICATION FROM THE CORTONA PROGRAM** confirming that you have been accepted into the program. If acceptances have not been announced, the letter from the program should confirm that you have applied and are being considered. *A printout of your acceptance email from the program is acceptable; this does not need to be an original letter.*
- 5)** Provide photos, printouts, or image files (PDF, JPEG, etc.) of **3-5 PORTFOLIO SAMPLES** of your work. Image files should be sent to Karen Coker, [kcoker@uga.edu](mailto:kcoker@uga.edu).

**A REMINDER ABOUT NEED-BASED SCHOLARSHIP SUPPORT AT UGA**  
All scholarships to UGA students are processed and distributed by the [UGA Office of Student Financial Aid](#) (OSFA). Not all Franklin scholarships are need-based, but many are. We wish to remind you that in order to be considered for need-based support at UGA, you must complete a **Free Application for Federal Student Aid** or “FAFSA” form. A FAFSA allows the UGA OSFA to assess your student financial need. If their office does not have a FAFSA assessment for you, they cannot determine your need, which then prevents us from considering you for any need-based scholarships. If you are unsure about whether you have completed a FAFSA in order to determine eligibility for need-based scholarships, please contact the UGA OSFA.
