Eligibility Requirements for Transient Students from Other Institutions

A TRANSIENT STUDENT from another institution may apply for the following three (3) scholarships:
- Charles Morgan Cortona Scholarship
- John D. Kehoe Cortona Program Scholarship, a need-based award*
- Judy Voss Jones Cortona Art Scholarship

A TRANSIENT STUDENT must provide one official set of transcripts from his or her current academic institution, so that the committee may assess GPA and credit hour completion during the semester of application. Contact Karen Coker at kcoker@uga.edu to receive instructions on how an institution may send electronic transcripts to us.

A TRANSIENT STUDENT applicant must be accepted by or be under consideration by the UGA Cortona study abroad program.

A TRANSIENT STUDENT selected for an award must officially register to attend UGA and confirm this with the Franklin College before the College may initiate that award. The UGA Office of Student Financial Aid distributes all awards to students near the start of the semester of attendance supported by the award.
How to Prepare an Application Packet

Be sure to complete the Cortona Scholarships Application. Please print one copy of your completed form.

2) Write a brief SCHOLARSHIP ESSAY that outlines your educational, personal, and professional goals and explains, in turn, how these connect to your plans for study abroad. Please print to paper one copy of your 1-2 page essay.

3) Ask someone to write a LETTER OF RECOMMENDATION attesting to your academic qualifications and personal attributes. Ask your evaluator to explain how s/he knows you and how long s/he had an opportunity to observe your academic and personal accomplishments. For best results, you should seek a letter from a professor or instructor who has taught you an advanced or challenging subject. If you choose a recommender who is not university faculty, s/he should speak to extra-curricular or work activities that are highly relevant to your major or other professional goals. We strongly recommend that letters be written on official letterhead and signed by the author. A letter from a relative is not appropriate. Please ask the person recommending you to give you his or her letter inside a sealed envelope.

A TRANSIENT STUDENT should contact Karen Coker at kcoker@uga.edu to receive directions for letters from faculty outside UGA.

4) Print or copy your NOTIFICATION FROM THE CORTONA PROGRAM confirming that you have been accepted into the program. If acceptances have not been announced, the letter from the program should confirm that you have applied and are being considered. A printout of your acceptance email from the program is acceptable; this does not need to be an original letter.

5) Provide photos, printouts, or image files (PDF, JPEG, etc.) of 3-5 PORTFOLIO SAMPLES of your work. Image files should be sent to Karen Coker, kcoker@uga.edu.

*A REMINDER ABOUT NEED-BASED SCHOLARSHIP SUPPORT AT UGA
All scholarships to UGA students are processed and distributed by the UGA Office of Student Financial Aid (OSFA). Not all Franklin scholarships are need-based, but many are. We wish to remind you that in order to be considered for need-based support at UGA, you must complete a Free Application for Federal Student Aid or “FAFSA” form. A FAFSA allows the UGA OSFA to assess your student financial need. If their office does not have a FAFSA assessment for you, they cannot determine your need, which then prevents us from considering you for any need-based scholarships. If you are unsure about whether you have completed a FAFSA in order to determine eligibility for need-based scholarships, please contact the UGA OSFA.
