

PROPOSAL FOR MINOR PROGRAM OF STUDY

1. **School/College:** _____ Franklin College of Arts and Sciences _____
2. **Department/Division:** _____ Communication Studies _____
3. **Minor Name:** _____ Communication in Healthcare _____
4. **Proposed Effective Date:** _____ Fall 2026 _____
5. **Which campus(es) will offer this program?** _____ Athens _____
6. **Program Description:**
Provide a brief summary of the objective of the program.

The proposed minor in Communication in Healthcare will offer students the opportunity to deepen their knowledge of communication theories and practices as well as provide a much-needed opportunity for professional development. As the fields of health and medicine grow, so too does the importance of communication among specialists and non-specialists alike. The minor will be of interest to students interested in a variety of careers in health and medicine, including, but not limited to, patient care, interdisciplinary research in science and medicine, public health outreach, public advocacy for health-related research support, and health-related non-profit and private sector organizational communication.

7. **Program of Study/Requirements:**
Include prefixes, numbers, and titles of required courses, as well as total credit hours (must be 15-18 hours). Include any residency requirements or grade requirements.

15 credit hours required:
